# LEARN ABOUT MUCOWS

# MUCOW FILES ARE

- Muse Configurable Options Widgets
- XML Documents (Extensible Markup Language)
- They can contain HTML, CSS, Javascript and other code
- They are saved as .mucow files

# **WHAT CAN THEY DO?**

# MUCOWS WIDGETS...

The image shows a digital clock widget on the left and its configuration interface on the right.

**Digital Clock Widget:** Displays the time as 51 07 59 49. The numbers are in a large, bold, black font. A blue selection box surrounds the entire digital display area, with small square handles at the corners and sides.

**Configuration Interface:** Titled "MuseThemes - Countdown Clock Options".

- Countdown Clock Setup:**
  - Event Year: 2015
  - Event Month: 1
  - Event Day: 1
  - Letter Spacing (px): 0
- Time Format:** Days Hours Minutes Seconds
